BENEFITING re:MIND

NOW VIRTUAL

A SPECIAL *thank you* FROM RE:MIND

re:MIND wants to extend a special thank you to our many underwriters, corporate sponsors and donors during this especially challenging year. It goes without saying that your support of mental health services is more important now than ever. We hope you enjoy our virtual luncheon. Thank you for believing in our mission.

THE MISSION

re:MIND provides free and confidential support groups for individuals living with, and family friends affected by, depression or bipolar disorders.

In 2003, by recruiting friends and community leaders, Gary Levering formed the first re:MIND Board of Directors. Through his leadership, dedication, encouragement and enthusiasm, Gary invigorated re:MIND and its mission to provide free support groups. Trained volunteers and licensed professionals facilitate re:MIND peer support groups, which serve thousands of adults and children each year. re:MIND strives to educate the public about mental disorders and confront the stigma and discrimination surrounding mental health issues.

THE GARY LEVERING MENTAL HEALTH IMPACT AWARD

This award is named for re:MIND founder Gary Levering whose vision brought community awareness to depression and bipolar disorders. The award recognizes the significant impact the recipients are making in the mental health community of Greater Houston.

THE SUNRISE TRIBUTE

Sunrise brings the dawn of a bright day offering a fresh start and new possibilities. The Sunrise Tribute honors family and friends who are living with a mental disorder, caring for loved ones living with a mental disorder, or making strides in the cause for mental health. It also serves as a vibrant remembrance of family and friends.
